Also I would be tempted to leave mines and portals in places where I shouldn't.

So, you know, not so jam-packed with virtue that I trust myself with too much power.

But a game that exists to encourage people to explore my lovely universe! How cool is that?

I might even let you borrow it sometimes. That is, if I were to happen to have one.

Oh, she's not so bad. That space alien in the cape has turned her head, is all.

\*grin\* I can get into so much trouble with this....

I have a feeling that this is where my almost non-existing free time is going to go since work owns my soul....
